Solicitation Number: TEST-SMOKE-AI-0001
Title: Grounds Maintenance Services for Test Contracting Office Building 100
Issuing Office: Test Contracting Office (fictitious)
Notice Type: Combined Synopsis/Solicitation
Set-Aside: Total Small Business
NAICS: 561730 Landscaping Services

1. Scope of Work
The contractor shall provide grounds maintenance for Building 100, about 5 acres.
Work includes mowing every two weeks from April to October, trimming hedges twice a year,
removing leaves in November, and clearing snow from walkways within 4 hours after snowfall ends.

2. Period of Performance
Base period of 12 months from the date of award. No option periods.

3. Eligibility
Offerors must be registered in SAM with an active Unique Entity ID at the time of offer.
Offerors must have completed at least one grounds maintenance contract of similar size in the last 3 years.

4. Evaluation
Award will be made on a Lowest Price Technically Acceptable basis.
Technical acceptability is pass or fail based on the past performance reference and the work plan.

5. Key Dates
Questions due: 2 weeks after posting.
Offers due: 4 weeks after posting, 10:00 local time.
Site visit: optional, 1 week after posting.

6. Submission
Submit one PDF containing the price schedule, a one-page work plan, and one past performance reference.

7. Point of Contact
Test Contracting Officer, test@example.com
